## Group Services

### Roofing Quality Assurance Inspector – South

As the UK's largest Roofing contracting business, the Avonside Group continues to add coverage to our already extensive network of branches across the country.

We require an experienced person who will be responsible for the inspection of roofs installed by Avonside Group branches in the South of England. You will have a roofing NVQ and at least three years of experience installing roofs, with a knowledge of fixing specifications and BS 5534. Your role will assist the business in continuously improving the quality of installations.

You will be an organised self-starter, managing your own work load, visiting sites, and reporting to the Group SHEQ Manager. You will be based in either Reading or Milton Keynes.

This is an excellent opportunity to join one of the largest independent contractors in the UK.

If you would like to apply for the above role then please submit your application in writing to:
