

# AVONSIDE

## Group Services

### **Estimator: Commercial & Industrial Roofing - Central London**

As the UK's largest Roofing contracting business, the Avonside Group continues to add coverage to our already extensive network of branches across the country.

We require an experienced Estimator to join Avonside London Commercial & Industrial Roofing.

You will be responsible for correctly estimating a wide variety of high-quality new-build and refurbishment projects, including Hot Melt, Built-Up Felt, Single Ply, and Cold-Applied Liquid systems. Experience in Cladding and Hard Metals would be an added advantage.

You will be able to accurately quantify from plans, or your own survey, to prepare and present quotations and BOQs. You must be comfortable working as part of a team, as well as negotiating directly with Clients and securing projects.

You must fully appreciate the strict deadlines that are often imposed, and will have experience of working in a similar estimating position.

This is an excellent opportunity to join one of the largest independent contractors in the UK.

If you would like to apply for the above post, please submit your application in writing to:

Mark Meddeman  
Branch Manager  
Avonside Roofing Ltd  
Albert Buildings  
49 Queen Victoria Street  
London EC4N 4SA
